

Please join us for the seventh season of the winter speaker series On Pettaquamscutt: Presentations on the Environment and the History of the Narrow River Watershed presented by Friends of Canonchet Farm, Narrow River Preservation Association, South County Museum and the Maury Loontjens Memorial Library with generous support from Trio Restaurant.

The presentations are on three Sunday afternoons, from 1:00 to 3:00, at the Maury Loontjens Memorial Library, 35 Kingstown Road, Narragansett. All events are FREE and open to the public. After each talk, continue the conversation next door at Trio Restaurant, 15 Kingstown Road.
